

The ditch is no place to pitch^{any}_{litter}

WE'VE GOT
A GOOD THING
GOING HERE.

Litter is a perfect example of an environmental problem we can solve. It's the empty cup thoughtlessly thrown out a car window. It's the gum wrapper dropped on the theater floor. The paper plates for-gotten after the picnic.

Litter is a lot of little things. But it's not a little problem. For more information, call the KDHE at 1-800-282-9790.
